The Embassy of Denmark in Vietnam (Hanoi) is looking for two students: One Commercial Intern interested in assisting Danish companies in entering a vibrant but challenging “Next 11”- growth market, and one Economic Diplomacy Intern ready to assist the Embassy within the important and rapidly developing area of economic diplomacy. The positions are in Hanoi.

The two interns will join the Commercial Section from **February 1<sup>st</sup> 2019 – July 31<sup>st</sup> 2019**.

A large and increasing number of Danish companies are active in Vietnam. The Commercial Section at the Embassy of Denmark in Hanoi and DECO in Ho Chi Minh City promote further trade and investment between Vietnamese and Danish companies through assistance to Danish companies interested in entering the Vietnamese market as well as to Danish companies already established in Vietnam.

### **Commercial Intern:**

The Commercial Section, with the assistance of the commercial intern, offers services relating to partner search, market analysis and monitoring, business establishment, public affairs assistance towards local authorities, export promotion activities etc. As an intern in the Commercial Section you will be an active part of the team involved in the section’s on-going tasks:

**Economic Diplomacy intern:**

The interns will get in contact with the Vietnamese business community and Vietnamese authorities, be involved with Danish companies' development in Vietnam and experience the cultural differences between Vietnam and Denmark. Furthermore, there will be an opportunity to devise a specific assignment within an agreed field, depending on your academic interests in regards to your credit transfer of the internship.

Specific tasks vary according to educational background, qualifications and interests of the intern and also differ across the sections of the Embassy. Tasks are solved in collaboration with posted and local staff, and each intern has a host who is responsible for ensuring the coordination of the work.
